Future Value:

3. Errors check number of years

This page says
Years is a number that's greater than zero and less than or equal to 50

Number of Years:

Future Value:

4. Errors check interest rate

The screenshot shows a web form with a dark header bar containing a logo and the text "omis". Below the header, the word "Future" is partially visible in large blue font. The form contains two input fields: "Number of Years:" with the value "50" and "Future Value:" which is empty. A "Calculate" button is positioned below these fields. A white error message box is overlaid on the form, stating: "This page says Interest rate is a number that's greater than zero and less than or equal to 15". An "OK" button is located in the bottom right corner of the error message box.
